Weekend appointments are available with a GP from 10.00am - 1.00pm on Saturdays and Sundays from the central hub, subject to availability.

More information about appointments with the extended access service

The service is run by Bradford Care Alliance, which represents all GP practices in the Bradford area. Medical appointments are with GPs and other healthcare staff who work in the area; so your appointment may not be with a clinician from this practice.

To use the service we will ask for your consent to share your medical record and our reception staff will explain what this means and why it is necessary. Click [here](#) to learn more about how and why we process your information.

Further details of the services and location maps are available [here](#).
